

FCC Commissioners  
The Federal Communications Commission RE: Docket 04-435  
445 12th Street, SW  
Washington, DC 20554

Dear FCC Commissioners ,

I am opposed to the FCC's proposal to relax the restrictions on the use of cell phones on airplanes while in flight.

Air travel is, at best, stressful, and sitting next to a person using a cell phone nonstop and not listening to the captain is a bad idea. It also will compromise flight attendants' ability to maintain order in an emergency. Cell phone use could also enable terrorists to coordinate a plan of action more effectively.

Please leave the current rules in effect.

Sincerely,

Lori Richardson
